

CRUISER MODEL YEAR 2022

EN

DATE: NOVEMBER 2021

FLEXIBLE AND RELIABLY  
BY YOUR SIDE: **THE LMC CRUISER**

QUALITY. TRUST. AT HOME. **LMC**

# EXPERIENCING INDEPENDENCE

## RELAXED TOURING **WHEREVER YOU WANT TO GO**

Our Cruiser model range stands for comfort, flexibility and a pleasant driving experience. The spacious motorhome sleeps up to four people. Two layout options permit you to choose between the larger Cruiser T version with a separate washroom, or the compact version with a Vario washroom. The model "Cruiser V" is a particularly narrow and agile design and therefore ideal for active holidaymakers.

We at LMC have been developing caravan, motorhome and camper van models for the past 65 years, and continue to embrace new trends. We consistently optimise our product portfolio and develop new models for your dream holiday. We design our ranges in a highly focused way, pay attention to the smallest detail and are passionately committed to our work. Discover our classic motorhome range: the LMC Cruiser!

COMFORTABLE INTERIOR FURNISHINGS  
**COUPLED WITH CLEVER IDEAS**

The Cruiser's cosy interior comes in a sophisticated beech look with white unit fronts. The indirect lighting above the overhead lockers creates a pleasantly warm and cosy ambience. The L-shaped dinette in the front area easily converts into another sleeping berth. The comfortable fixed beds at the end perfect the well-balanced layout.

We at LMC want you to feel at home on the road. We therefore make every effort to provide you with a high-quality and safe companion, because your holiday memories should be wonderful only.

FEELING COMPLETELY  
AT HOME

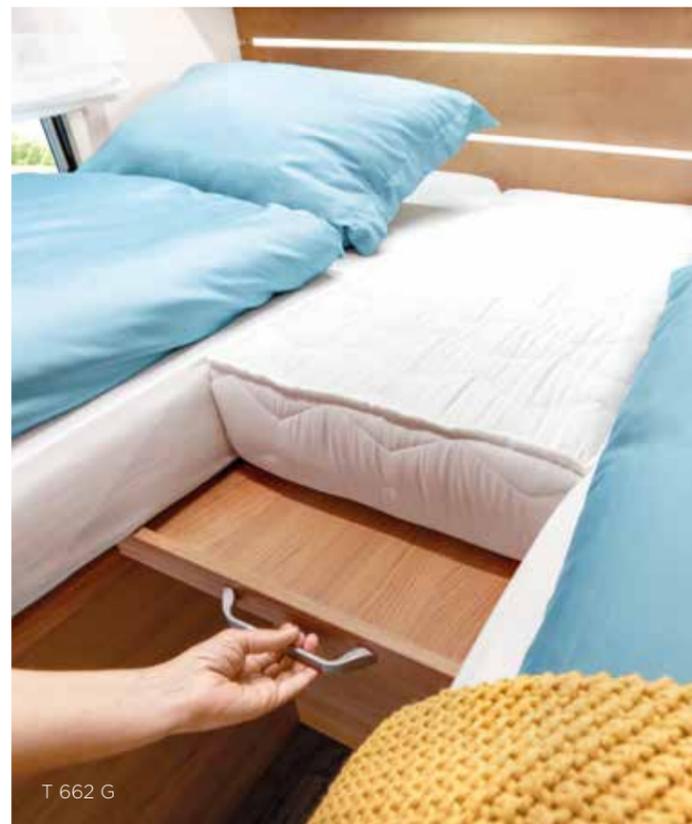

## UNWINDING TOGETHER **ON TOUR**

The Cruiser is a reliable companion on activity-filled holiday trips as well as during the quieter times of your time out, with an interior climate that is always comfortable. The backrests are also designed for winter travel and ensure optimum air circulation even on colder days.

Thanks to an electric three-burner hob with a glass cover, generous storage space, a 140l refrigerator and plenty of prep space, our Cruiser range offers everything travelling gourmets are looking for. The generous number of kitchen units and the well thought out organiser system inside the softclose drawers, everything is always reliably on hand inside the Cruiser before you comfortably sit down to eat.

A PLACE **WHERE DREAMS COME TRUE**

#### INTERIOR HIGHLIGHTS

- The large 140 l smart tower refrigerator offers plenty of space for storing fresh food.
- Whether used as a single bed or extended to create a larger sleeping space - the cold foam mattresses ensure that you get a good night's sleep and are ready for the next day's adventures.
- Indirect lighting above the overhead lockers creates a warm and cosy atmosphere.

- The spacious washroom with a separate toilet and shower area provides a high level of comfort with plenty of room to move.
- Fold-out laundry rails in the toilet area or in the shower provide a place for drying wet clothes.
- The lighting fitted inside the wardrobe makes getting dressed easy.
- The mid-vehicle dinette instantly converts into an additional berth, if needed.
- Numerous storage solutions, like a compartment underneath the floor and the storage space below the bench seat, ensure that you'll never be short of storage space.

A FLEXIBLE GOOD  
NIGHT'S SLEEP

Everything on board: The practical swivel toilet is the best example for the efficient use of the washroom space. It meets the comfort expectations of even the most discerning holiday-makers. Plenty of light, various shelves and a large mirror make the space look larger.

## SMART AND WELL THOUGHT OUT DESIGN

### CLEVER SOLUTIONS

1. Practical charging options where they're needed most: with the flexible USB sockets for the lighting rails in the dinette.
  2. Items in the open shelves in the sleeping area are kept safe and secure by fixed bungees.
  3. Effortlessly create two additional sleeping berths with the optional pop-top roof.
- Convenient cooking enjoyment thanks to the three-burner hob with electric spark ignition and a glass cover.
  - Smaller items you'd like always on hand can be stored in the dinette side pocket.
  - The storage compartment underneath the bench seat offers enough room for your travelling equipment.

MORE EXCITING ADVENTURES TOGETHER

## TAKES YOU ON TOUR: THE LMC CRUISER

### V 646 G

|                 |       |

- Drawers with softclose
- Storage system in kitchen drawer
- Fridge 140 ltr. Smarttower (layout-dependent)
- Fridge 110 ltr. (layout-dependent)
- Three burner stove with electric stroke ignition for each individual and glass cover with sink

### HEATING

- Heating warm air combi 6 with panel CP plus
- 12 V heater fan

### WATER SUPPLY

- Wooden shower inlay
- Two-room sanitary area / separated toilet and shower area (layout-dependent)
- Centralized supply and disposal unit
- 10 ltr. warm water boiler integrated into heating system
- Toilet room with separate shower cabin or shower facility with shower door (layout-dependent)
- Waste water tank 95 ltr.
- Fresh- and wastewater tank, insulated and heated
- Fresh water tank with filler pipe 100 ltr.
- Warm water mixer tap
- Foldable laundry rod (shower / toilette room)
- Cassette toilet

### GAS/ELECTRICITY SUPPLY

- 230 V electrical socket with RCD and charger
- USB sockets 1x bed 2x entrance 2x livingroom
- USB ports (2x flexible)
- 12 V power supply
- iNet Box (app control)
- Gas system 30 mbar
- Gas bottle box (for 2 x 11 kg)
- LED interior lighting
- Reading lights
- Multifunctional panel
- Separate supply battery 95 Ah
- Service door (access to the gas box)
- Power input sidewall
- Indirect lighting

### MULTIMEDIA

- Radio preparation with speakers and antenna (DAB)
- Flat-screen TV ready for 2nd TV incl. bracket for flat screen
- Rear view camera with cable and without monitor

### LLT

- 12-years-tightness-warranty
- Roof and front / rear section in GRP
- Fibreglass-material floor
- High-performance insulation core
- Under floor with XPS-foam and PU-struts

### HOT-AIR HEATING WINTER PACKAGE (WPU)

- Ice-ex with monitor (only in combination with DuoControl)
- Heating hot air (with electrical cartridge heater)
- Winter cover for fridge ventiation outlet
- DuoControl with Crash Sensor
- Warm water heating

#### Package weight 15 kg

### WINTER PACKAGE HOT WATER (WPT)

- Ice-ex with monitor (only in combination with DuoControl)
- Winter cover for fridge ventiation outlet
- DuoControl with Crash Sensor
- Warm water heating
- Heating hot water in conjunction with recuperator

#### Package weight 63 kg

## BORN FROM A PASSION FOR CARAVANNING

Simply taking off and enjoying the most wonderful moments of the year. With a vehicle from LMC, you can look forward to doing precisely that whenever you want.

At its production site in Sassenberg, Germany, the creative caravan manufacturer builds modern, future-proof and light engineered caravan, motor-home and camper van models with well thought out layout options that meet all requirements, and plenty of features that reflect the engineering skills Germany is famous for. Our highly-qualified staff know exactly what matters. As passionate campers, we make every effort to ensure that our vehicles are so well designed in terms of quality, safety and comfort that they meet our own high standards. To make sure that all you have to worry about is rest and relaxation, they feature clever technology and functional solutions both inside and out. All LMC components are designed with durability and value retention in mind – your investment into an LMC is therefore a sound choice.

## WE MAKE IT **EASY FOR YOU**

Our engineers rely on cleverly designed lightweight furniture and use a well thought out mix of materials and special light engineered components to guarantee that you benefit from a generous user payload.

Across all of our model ranges, we create clear structures and provide transparent information to make it as easy as possible for you to choose the LMC that's right for you.

“When we designed the Cruiser range, we combined comfortable interior design with utmost functionality to make many of the everyday tasks easier for the holidaymakers, which makes their holiday an even more relaxing experience.”

BODO DILLER, Brand Manager

## QUALITY YOU CAN RELY ON

LMC stands for outstanding quality, reliability and long-lasting value. We use advanced production technologies to be able to guarantee all three. For added security, we give you our unique quality promise: a twelve-year water ingress warranty.\*

See our homepage [www.lmc-caravan.de](http://www.lmc-caravan.de) for more information, or ask your dealer.

\* All LMC models come with a twelve-year water ingress warranty, provided the vehicle is serviced annually by an official LMC partner (service charges apply). On motorhomes however, the guarantee is only valid up to a maximum total mileage of 120,000 km.

## IMPORTANT INFORMATION

All accessory prices are for factory installation. Subsequent installations are subject to additional costs. Any change to the factory settings of your vehicle can lead to impairment of driving or road safety. The accessories recommended by us, and original spare parts have been specially developed for your vehicle. Accessories, fixtures, converted parts or built-in parts that have not been approved by LMC can cause damage to the vehicle and impair road safety.

Even if there is an expert appraisal for the part at hand, a general operating licence for parts, or type-approval, there is no presumption of the proper condition of the product. Please understand that no liability can be assumed for damages caused by products that have not been approved by LMC, or caused by unauthorised modifications.

The dimensions in roadworthy order (1) correspond with series design without optional extras. Installation of optional extras increase the dimensions of the motorised caravan in roadworthy condition (1), and the cargo load is reduced correspondingly (footnote 1). Please take the weight of the optional extra into account with regard to the cargo load (2).

Changes to prices, technical data, fixtures and furnishings, as well those regarding creative aspects, remain reserved. Information about scope of delivery, appearance and services, correspond to the information available at the time of printing. Deviations of +/- 5 % are possible in measurement and weight data (measurements in running order). The cargo load derived there from can vary correspondingly. Our weight information complies with requirements of EU-guideline 661/2009 and VO (EU) 1230/2012.

Depicted decorations are also not part of the scope of delivery. All information corresponds to the current status at the time of printing. We reserve the right to technical modification of the construction and outfitting, deviations to the colour, or mistakes, colour deviations are partially print or lighting related.

Some illustrations include optional extras subject to extra cost.

All prices are recommended retail prices in Euros, incl. statutory value added tax ex works LMC.

The validity of all previously published price lists expires with the publication of this price list.

## FOOTNOTES

- 1) The indicated number of persons is dependent on weight and axle load. It may be reduced through installation of accessories and optional extras. The indicated number of persons refers to the vehicle weight in series production condition. It represents the maximum permissible number of persons that can have a seat during the drive. Depending on the model, this is only attainable by payload weight. The technically permissible total mass as well as axle loads must not be exceeded.
- 2) This weight includes the driver's weight (75 kg) and following mass of the vehicle with standard equipment according to manufacturer's specifications: Liquids such as fuel and AdBlue (90 %), fresh water (10 l/20 l), gas (1 x 11 kg + approx. 5 kg bottle weight) at 100 %, plus tools, tyre repair set and cable reel, without optional extras. This corresponds to a weight of approx. 191 kg to max. 212 kg.
- 3) 3. Sleeping spot: Accessory "Additional cushion for extra bed": 1 additional sleeping spot (bed construction: Dinette in combination with the driver's seat)
5. Sleeping spot: Accessory "Lifting bed above centre seat area": 2 additional sleeping spots
- 4) Eco-pack with 140 PS in combination with automatic transmission is mandatory. Special equipment automatic transmission.
- 5) Only in combination with comfort seat covers. Special equipment: Heated seats.
- 6) With the pop-up roof special equipment, there is no skylight in the washroom. A washroom window is available as an option for floor plan T 662 G and V646 G. Also, there is no skylight and/or roof hood Midi Premium. Usage of the pop-up roof in winter is not recommended.
- 7) With roof elements ensure that there is limited space for the mounting.
- 8) Only in combination with the pop-up roof. Button-on insulating mat in the pop-up roof. Not available in combination with hot water heating.
