Who we are

LMC Caravan GmbH & Co. KG is an experienced manufacturer of caravans, motorhomes and camper vans under the umbrella of the Erwin Hymer Group. At the Sassenberg site in Münsterland, the company has been manufacturing leisure vehicles in its own production facility for 70 years. These vehicles are characterised by a high degree of quality, durability, safety and many clever ideas. All caravans, motorhomes and camper vans are “Made in Sassenberg” and come off the production line with a twelve-year body-seal guarantee, high value retention and effective protection against the elements.

Vehicle characteristics

- Range of 45 floor plans altogether, with different bed variations
- Motorhomes and camper vans on a Fiat Ducato and Ford basis
- All motorhomes and camper vans in standard condition can be driven with driving licence class B
- Twelve-year body-seal guarantee

In 1950, the “Sauerland” was already a popular holiday destination. Including for two men from Warendorf who regularly spent their holidays there. The designer Austermann and chassis builder Hartmann then had an idea: they thought about it, designed it, drew it – and finally, their first caravan came into being: the “Falter I”.

In 1966, designer Austermann builds the now legendary “Knospe” caravan

In 1966, Wilhelm Saure from Herdecke takes over the Austermann company – founding of “Wilhelm Saure KG” with its headquarters in Sassenberg

In 1978, due to the rapid development of orders, production is expanded to Warendorf - construction of mobile homes

In 1981, the production facilities on Rudolf-Diesel-Straße in Sassenberg were extended. Followed by the establishment of a new company, LMC Lord Münsterland Caravan GmbH and the new involvement of new shareholders.
